SECTION 1 – INTRODUCTION

This directory provides a list of VIVA MEDICARE *Me* at Baptist Health network providers. To get detailed information about your health care coverage, please see your Evidence of Coverage.

You will have to choose one of our network providers who are listed in this directory to be your **P**rietary **C**are **P**hysician (PCP). The term “PCP” will be used throughout this directory. Generally, you must get your health care services from your PCP. If you do not select a PCP, VIVA MEDICARE will select one on your behalf and notify you. If you would like to change to a different PCP than the one that was selected for you, please call VIVA MEDICARE Member Services. The contact information is listed on the first page of this directory. You generally do not need a referral from your PCP to see a specialist; you may simply call the specialist’s office for an appointment. However, before you see a provider listed in this directory as a Pain Management specialist or one listed in the Supplemental Network section, your PCP must first get approval from the plan. This is called giving you a “referral.” For more information about this, see Chapter 3, Section 2.3 of your Evidence of Coverage (EOC).

The “network providers” listed in this directory have agreed to provide you with your health care or vision coverage. You may go to any of our network providers listed in this directory; however, some services may require a referral. If you have been going to one network provider, you are not required to continue going to that same provider. In some cases, you may get covered services from non-network providers. This directory lists the Baptist Physician Alliance and supplemental providers you can see in the VIVA MEDICARE *Me* Baptist Health Provider System. While VIVA MEDICARE contracts with additional providers for our other Medicare plans, members of the VIVA MEDICARE *Me* plan have a limited provider network that is a subset of the larger VIVA MEDICARE network. As

a VIVA MEDICARE *Me* member, you agree to get your care from the providers in the more limited VIVA MEDICARE *Me* network. Routine care from VIVA MEDICARE providers who are not in the VIVA MEDICARE *Me* at Baptist Health Provider System are not covered.

Other providers are available in our network. This directory contains a sub-network of VIVA MEDICARE *Me* providers. A directory for the other VIVA MEDICARE *Me* provider system is available from Member Services and on the web at www.vivamedicaremember.com. To change your provider system, you should call Member Services and choose a PCP in the other provider system.

Your PCP’s name and telephone number appear on your VIVA MEDICARE *Me* member identification card. It is very important that you present this identification card, not your Medicare card, whenever you receive medical care or get a prescription filled. This will help ensure you receive services from providers contracted for the VIVA MEDICARE *Me* plan. If you get non-emergency care from non-plan (out-of-network) providers without prior authorization, you must pay the entire cost yourself, unless the services are urgent and our network is not available or the services are for out-of-area dialysis. In the case of urgent and emergent care, if an out-of-network provider sends you a bill, you should not pay that bill. Please contact Member Services or send the bill to VIVA MEDICARE so we can determine the amount you owe, if any.

Prior authorization is when you must receive approval in advance to get services or certain drugs. Some in-network medical services are covered only if your doctor or other network provider gets “prior authorization” from our plan. Services requiring prior authorization (approval in advance) are marked in italics in the Medical Benefits Chart in Chapter 4 of your VIVA MEDICARE *Me* Evidence of Coverage. Some drugs are covered only if your doctor or other network provider gets “prior

authorization” from us. Covered drugs that need prior authorization are marked in the formulary.

A medical emergency is when you believe you have medical symptoms that require immediate medical attention to prevent loss of life, loss of limb, or loss of function of a limb. The medical symptoms may be an illness, injury, severe pain, or a medical condition that is quickly getting worse.

If you have a medical emergency:

- Get help as quickly as possible. Call 911 for help or go to the nearest emergency room or hospital. Call an ambulance if you need it. You do not need to get approval or a referral first from the plan or your PCP.
- As soon as possible, make sure VIVA MEDICARE has been told about your emergency. We need to follow up on your emergency care. You or someone else should call to tell us about your emergency care, usually within 48 hours.

You may get covered emergency medical care whenever you need it, anywhere worldwide. If you have an emergency, we will talk with the doctors who are giving you emergency care to help manage and follow up on your care. The doctors who are giving you emergency care will decide when your condition is stable, and the medical emergency is over.

After the emergency is over, you are entitled to follow-up care to be sure your condition continues to be stable. Your follow-up care will be covered by our plan. If your emergency care is provided by out-of-network providers, we will try to arrange for network providers to take over your care as soon as your medical condition and the circumstances allow.

You must use plan providers except in emergency or urgent care situations or for out-of-area renal dialysis services. If you obtain routine care from

out-of-network providers neither Medicare nor VIVA MEDICARE will be responsible for the costs.

What is the service area for VIVA MEDICARE Me?

The counties in our service area are listed below: Blount, Jefferson, Shelby, St. Clair, Talladega, and Walker counties.

How do you find VIVA MEDICARE Me providers in your area?

When you select a PCP, you are also choosing your provider system. While VIVA MEDICARE may contract with specialists, hospitals, and ancillary providers in other provider systems, you will receive your care only from those providers in the provider directory for your selected provider system. Since these are the providers we are paying to provide your care, they are the ones you must use (except in emergencies and urgent situations anywhere, for dialysis when you are outside the VIVA MEDICARE service area, or when you have prior authorization). You will use the specialists in your selected provider system. Should you require hospital services, your physician will admit you to your selected provider system hospital(s). Of course, if a covered service is not available from your selected provider system, you may see a contracted provider outside your provider system. To see a provider outside of your provider system, simply have your PCP call our Medical Management Department to request a prior authorization from VIVA MEDICARE on your behalf. To change provider systems, you must call Member Services at the number at the end of this section and choose a PCP in the provider system that you want to join.

This directory provides a listing of contracted VIVA MEDICARE Me providers in your selected provider system. The directory is separated into two sections:

- The first section is for the providers who **ARE** part of the Baptist Physician Alliance. You can see most of these providers without a referral from your PCP. You must first obtain a referral to see network providers listed as pain management specialists in this directory.
- The second section is for providers who **ARE NOT** part of the Baptist Physician Alliance, but are part of its supplemental network. Therefore, they are part of the VIVA MEDICARE *Me* network and are referred to as “Baptist Physician Alliance – Supplemental Network.” You must have a referral from your PCP to see one of these physicians or go to one of the facilities in the supplemental network in order for your services to be covered by the plan.

Facilities and providers in each section are listed in the following order: County, Hospitals, Health Centers and Urgent Care Facilities, Primary Care Physicians, Specialists (in alphabetical order by specialty), and Ancillary Providers (such as ambulance, diagnostic services, DME (durable medical equipment), home health, home infusion, lab, physical therapy, surgery and dialysis centers, prosthetics/orthotics, and skilled nursing facilities). VIVA MEDICARE members can also go to any Medicare-approved hospice facility. To find the page where a particular provider is listed, please see the index at the end of this directory.

If a PCP has a “1” next to his/her name, the doctor will only accept existing patients (patients the doctor already has a relationship with). Also, if you choose a PCP with a “2” next to his/her name, this indicates the PCP uses a hospitalist. A hospitalist is a physician who specializes in treating people while they are in the hospital. This allows your PCP to continue to see other patients in his or her office while you are hospitalized.

If you have both Medicare and Medicaid, VIVA MEDICARE has a special agreement with the Alabama Medicaid Agency. Under this agreement, VIVA MEDICARE pays Medicaid’s full share of the cost for all Medicare covered services. Therefore, our members do not have to worry whether their VIVA MEDICARE provider also accepts Medicaid.

Certain drugs are covered under Medicare Part B. Many of these drugs require prior authorization from VIVA MEDICARE (see your Evidence of Coverage for more information). Generally, you must receive Medicare Part B drugs from a network provider listed in this directory. Sometimes these drugs are provided by a physician, home infusion, or infusion therapy provider.

See your Pharmacy Directory for a listing of network pharmacies in your area where you can obtain Part D drugs.

Some drugs can be covered under either Medicare Part B or Part D, depending on the circumstances. Prescriptions for these drugs may be filled at network pharmacies even when they are covered under Medicare Part B

If you have questions about VIVA MEDICARE *Me* or require assistance in selecting a PCP, please call our Member Services Department at 1-800-633-1542, Monday-Friday, 8 a.m.-8 p.m. (from October 1st – February 14th: seven days a week, 8 a.m. – 8 p.m.). TTY users should call the Alabama Relay Service toll-free at 711. Or, visit www.vivamedicaremember.com.

SECTION 2 – LIST OF NETWORK PROVIDERS

The VIVA MEDICARE *Me* network includes 4 hospitals, 84 Primary Care Physicians, 934 Specialists, and 10 Urgent Care Facilities.
