Introduction

This booklet provides a list of VIVA MEDICARE’s network pharmacies. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage and VIVA MEDICARE’s formulary.

We call the pharmacies on this list our “network pharmacies” because we have made arrangements with them to provide prescription drugs to Plan members. In most cases, your prescriptions are covered under VIVA MEDICARE only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your Evidence of Coverage.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 01/01/2016. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

Changes to our pharmacy network may occur during the benefit year. An updated Pharmacy Directory is located on our website at www.vivamedicaremember.com. You may also call Member Services for updated provider information.

You can go to all the pharmacies on this list, but your costs for some drugs may be lower at pharmacies in this list that offer preferred cost sharing. We have marked these pharmacies with an asterisk (*) to distinguish them from other pharmacies in our network that offer standard cost sharing. Cost sharing information can be found in the Summary of Benefits.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

If you have questions about any of the above, including for instructions on how to submit claims for prescriptions that you had to fill at a non-network pharmacy, please see the first and last cover pages of this directory for information on how to contact us.
