**Important Reminder:** VIVA Health, Inc. participates in the HEDIS measure *Follow-Up After Hospitalization for Mental Illness (FUH)*. We ask you to help us promote this measure to increase wellness and decrease recidivism for VIVA members across commercial and Medicare product lines.

One of the key components of the FUH measure is follow-up visits after discharge from inpatient treatment. We ask that a follow-up visit with a therapist be conducted within five (5) days post-discharge and with a psychiatrist within 30 days post-discharge. **Please remember that Medicare members must see a LCSW or Ph.D. for therapy, as Medicare does not cover treatment by LPCs or LMFTs.**
