Drummond	Closed	These plans have 3 networks. The primary network is Viva doctors in Alabama. For that network members pay their standard plan cost-sharing. For doctors in Alabama but not in the Viva network, we cover 80% or 90%, depending on the plan. For doctors outside of the state of Alabama, there are copays for some services and others covered at 100% of UCR.											
UAB Post-Doctoral	Open	Needs referral for specialists for subscribers and dependents, except for vision and OB/GYN											Open
UAB & Jeff State Students: Referral to see Specialist	Closed	Students use Student Health for PCP. Spouses/Dependents over 18 must use UAB Providers. Under 18 has access to entire VIVA network. No referral required for any member to see participating UAB Orthopedists. Tuscaloosa and Huntsville students have access to entire VIVA network.											Open

¹Montgomery Baptist Pediatrics OPEN to UAB, Children’s, and The Pediatric Clinic, LLC in Opelika, otherwise it is CLOSED.

The Montgomery Baptist network includes Baptist Medical Center East, Baptist Medical Center South, and Prattville Baptist Hospital for inpatient and outpatient care and the Participating Physicians who admit to these facilities for Physician services. Montgomery Surgical Center is a Participating Provider for outpatient surgical services. It also includes the physicians for all specialties at UAB hospital (all campuses and facilities, including Callahan and the Kirklin Clinic) and they do not require authorization.

²VIVA UAB VIVA UAB members 18 and older may see providers at Medical West for any service, open or closed, including OB/GYN.

Dependents under 18 may use any VIVA Health participating Hospitals and Physicians and no referral is required to specialists for dependents under 18.

No specialty, open or closed, requires a referral from VIVA Health **except for** Chiro for members 18+.

Closed: Physical Medicine and Rehabilitation

³USA USA is also OPEN to the entire VIVA Health network for the following specialists/providers: ENT, Urology, DME, and ancillary services and selected urgent care providers.
